

**SOUTH WEST
BRANCH
JANUARY 2010
NEWSLETTER**

Well here it is the first news letter of the year, where does the time go? Last year was one of major change for us as a branch we altered our annual dinner format, and from the many positive comments received it would appear for the better. It was also all change for our Winter gathering a new location at the Royal Wessex Yeomanry in Bovington Camp, again from the turn out and the comments to me on the night this to seems to be our new home for this gathering. Whilst I appreciate that non of us are getting any younger the Dinner and the Winter gathering are there to bring as many of us old soldiers together to reflect on the times gone by when we were responsible for putting the world to rights wether it wanted to or not. So I urge as many as can to try to get to one or the other just to meet old pals again and remember "we are the few" now.

As always a reminder about branch subscriptions £5 due in by the end of April or in our case any time this year when we remember.

Functions :British Legion Salisbury Branch Dinner 08 October 2010

More details and pro forma's in the Autumn newsletter.

The Regiment will be holding the Association weekend in Fallingbostell on the weekend 4th & 5th September 2010. I believe that a coach is being organised by the Edinburgh Branch . Hopefully details will be published for all.

If anyone has internet and e-mail access and would like this news letter sent that way please let me have your e-mail and I will send it, it will help keep costs down for the branch thank you, whilst on the internet there are also two unofficial web sites that may be worth a look if you have the time <http://royalscotdragoonguards.com/> on here there are

quite a few ex Regimental members and the Photo Gallery is well worth a look. The other one is <http://www.3rdcarabiniers.org.uk>. again the photo Gallery is well worth a look. So I leave you to contemplate and hope to see some of you later this year. If anyone has anything they would like in the news letter please e-mail or post it. Here are a few photo's of the Salisbury dinner and Bovington take care all till the Autumn.
